

THE COLLECTION THAT COME UP WITH ESTHETICS

Nelson Laminate is run by a group of enthusiastic individuals. We are a young company creating big waves since our foundation. Representing only the finest laminates in partnership with reputable suppliers, we take pride in bringing to the local market design-centric and quality driven surface solutions under the Neltouch brand.

Designing a new home is a balance of form, function, touch of colour and most importantly, personal style. Endorsed as a go-to favorite among architects, designers and homeowners alike, Neltouch strives to continue delivering sustainable design solutions that are diverse in aesthetics, functions and cost-effectiveness. We also believe in providing homeowners with the best – both in quality and affordability.

Nelson accounts for a company of highly motivated professionals assembled to best serve each function within the company. Together, they share an extensive scope of industry know-how and experience, guided by a simple philosophy of "layering to be the best".

Our laminate specialists constantly have their fingers on the pulse of the global design industry. This allows them to curate new designs and product innovations that meet customer demands and are aligned with current and emerging trends.

CON TEMPO RARY

is once of the best and demanding interior design styles for this century, everyone has tried different concepts like retro, mid century, bohemian or scandinavian but this is all about long lasting calmness and space management

special in their own way, the stone design replace the costlier italian marble figures with high pressure laminate design with audacity. You can choose your light or dark shade with same pattern at all.
